

## **Improve your employability as a Modern Foreign Languages teacher and learn a new language for FREE!**

Do you want to increase your employability as a Modern Foreign Languages teacher, and learn a new language (French) at no extra cost? Then join our **FREE fast-track enhancement course**, enabling you to teach French to Key Stage 3, and this whilst also training to become a Modern Foreign Languages Teacher at Aberystwyth.

**A graduate of Spanish or German?** Then increase your employability prospects by being able to offer an additional language (French) to your portfolio, which is the most widely taught foreign language in mainstream schools in the UK.

The 2 hour weekly sessions whilst studying for your PGCE at Aberystwyth should equip you with sufficient French to allow you to teach it at Key Stage 3 level.

It will increase your language skills, and provide you with practical experience and insight into the methodology of language teaching provided by experienced tutors.

**A French graduate, or do you already have a good command of the language?** Then, this unique course will give you an opportunity to develop your teaching and mentoring skills through assisting in teaching and practising your specialist language on your peers, an excellent opportunity for you to develop your tutoring techniques.

An university certificate of achievement will be awarded on completing the course, strengthening your CV and Professional Development Portfolio.
