At Aberystwyth we offer a variety of styles and locations to find the space that works for you, with the majority of our residences being only a short walk away from campus.

Each residence has its own distinctive character, offering you a safe and secure environment in which to socialise, study and relax. Whilst living in our accommodation, there is no need to worry about fluctuating bills as the accommodation fees include utilities, internet connection including wifi and a high level of personal contents insurance.

We offer a wide range of self-catered accommodation with either en-suite rooms, or flats with shared facilities along with our self-contained studios, with prices ranging from approximately £88 - £177 per week*. We also have dedicated catered accommodation available for students who are Welsh speakers or learners who would like to live in a Welsh speaking environment.

As soon as you arrive our Residences team will welcome you into your new home and our campus community.

Applying for accommodation

If you have received a conditional or unconditional offer to study at Aberystwyth University and are holding us as either your firm or insurance choice, we will send you an invitation to apply for accommodation, both by email and post, from April in your year of entry. We advise that you complete your application as soon as possible, as we offer accommodation on a first-come, first-served basis.

We can provide you with accommodation throughout your time here, subject to availability. If you would like to live with the friends you have made in your first year, you can apply to live together.
