Mae Aryan yn naturiol ddoniol a gall wneud i unrhyw un chwerthin ar unrhyw adeg, p'un a yw'n ceisio gwneud hynny ai peidio. Mae'n byw bywyd 100% heb ddrama, ac yn hytrach yn treulio ei amser yn chwarae scrabble a gwyddbwyll ar-lein, yn ogystal â chynllunio ei daith nesaf adref i Dde Affrica.

b. Paxton

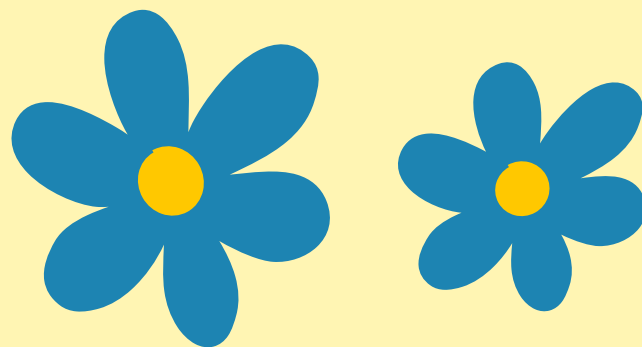

Pe bai bywyd yn sioe deledu, Paxton fyddai'r cymeriad mwyaf diddorol wrth iddyn nhw drawsnewid eu gwallt (steil a lliw) yn llwyr bob tymor. Mae Paxton yn artist ym mhob ffordd ac wedi ceisio, ac wedi rhagori ym mhob ffurf ar gelfyddyd bron. — Ond eu styffylau mwyaf nodedig yw crosio, a madfall tegan ffidlan. Ond peidiwch â chael eich twyllo gan ba mor ddiniwed y mae hi'n ymddangos - unwaith y mae hi wedi taro deuddeg ar ôl oriau, mae Lucy yn troi'n anifail parti absoliwt, mewn gwir ffasiwn Gymreig. Fel y gwesteiwr, bydd yn mynd allan o'i ffordd i wneud yn siŵr bod pawb yn cael amser o'u bywydau, a bod ei ffrindiau gwyn yn cael mynediad at fyrbrydau pobl wen (caws cheddar ysgafn wedi'i sleisio).

i. Alim

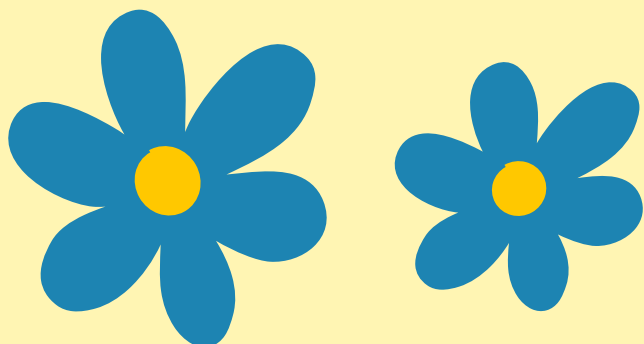

Mae Alim yn eicon ffasiwn o iawn, yn tynnu i fyny at y gweithgareddau mwyaf cyffredin mewn gwisgoedd dylunwyr gyda pop o liw. Mae ei chwerthin yn heintus a gall oleuo unrhyw ystafell ar unrhyw adeg. Tra ei fod yn ddirgelwch cerdded, gwneud iddo deimlo fel po fwyaf y byddwch yn dod i adnabod ef, y lleiaf y byddwch yn gwybod amdano – bob hyn a hyn rydych chi'n datgloi darn newydd o wybodaeth (er enghraifft sut mae'n anhygoel am wau!?). j. Jacob

Mae Jacob yn un o'r bobl hynny a fydd yn gadael yr un mor frawychus y tro cyntaf i chi gwrdd ag ef, gan mai dim ond mewn du y mae'n gwisgo. WHICHEVER LETTER YOU ANSWERED THE MOST REVEALS YOUR RA PERSONA...

a. Aryan

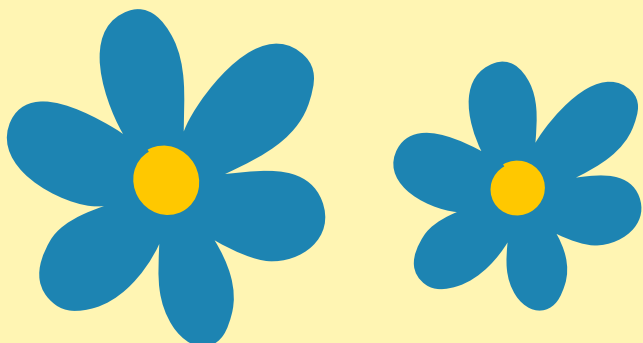

Aryan is the chilliest person you will ever meet. He may seem like he is half asleep all the time, but he is just blissfully zoning out - making it even more hilarious when he zones back in, hitting you with the perfect joke at the perfect time. Aryan is naturally funny and can make anyone laugh at any time, whether he is trying to or not. He is living a 100% drama free life, and rather spends his time playing online scrabble and chess, as well as planning his next trip back to South Africa.

b. Paxton

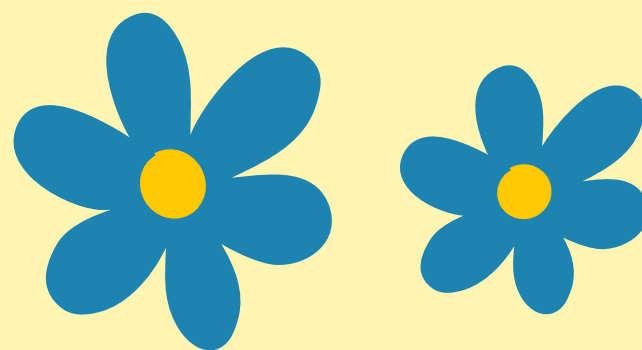

If life was a TV show, Paxton would be the most interesting character as they completely transform their hair (style and colour) every season. Paxton is an artist in every true sense of the word and has tried, and excelled at pretty much every art form there is. - But their most notable staples are crochet and fidget bead lizards. Everyone is always envious of the amazing handmade pieces in Paxton's wardrobe.

c. Lucy J

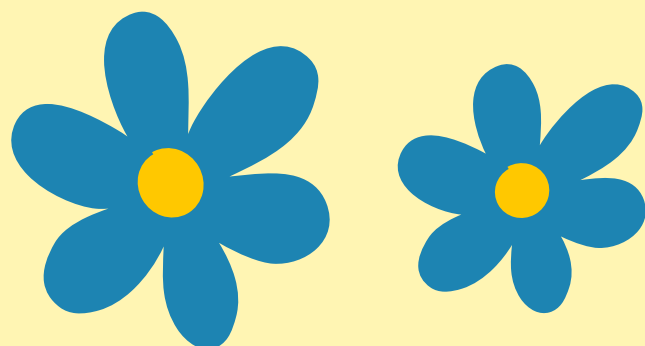

Lucy is an absolute sweetheart and one of the kindest people you will ever meet. She will make sure to ask you how you are feeling in every conversation. If you hit her with a car, she would make sure to apologise to both you and the car for the inconvenience. But don't be fooled by how innocent she seems – once after-hours hit, Lucy turns into an absolute party animal, in true Welsh fashion. She may even drink so much that she has to be woken up by security because she forgot her parents were visiting.

d. Ash

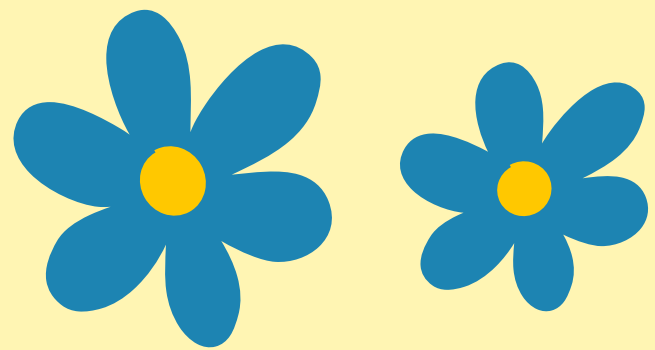

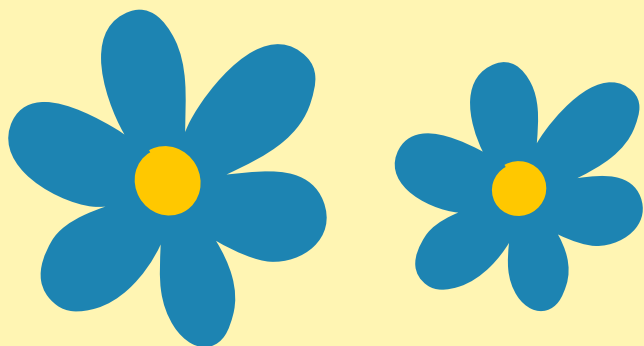

Ash is the ultimate IT girl. With her quick witted humour and amazing fashion sense, the Leo in her knows how to capture the attention of a room and keep it. It is impossible to not like Ash. She is not only the life of the party, she is also the hostess as she loves the organisation and structure. As the hostess, she will go out of her way to make sure that everyone is having the time of their life, and that her white friends have access to white people snacks (sliced mild cheddar cheese).

As an astrophysics student with a logical mind, they are also guaranteed to always beat you in board games.

h. Hedda

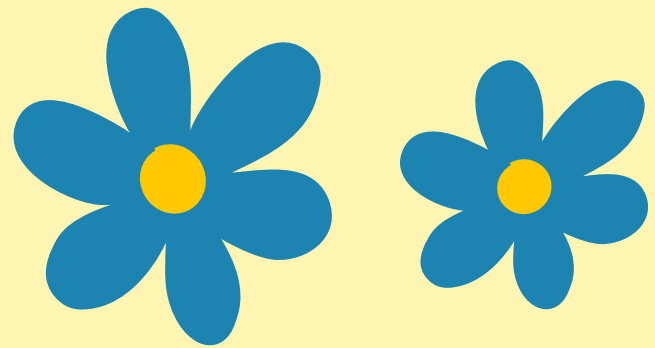

Hedda dresses super colourful at all times and looooooves being the center of attention. She is extremely talkative and can hold a conversation with anyone about anything. She wears her heart on her sleeve, meaning that if she loves you, you will be able to tell by how she spends all her time thinking of, or talking to you. This also means that if she dislikes you, it will be very obvious to everyone. Hedda is also one of those annoying people who procrastinates everything, puts in minimal effort and somehow still gets good grades.

Alim is also a true artist and his photography skills is single-handedly the reason why our website looks so fresh this year.

j. Jacob

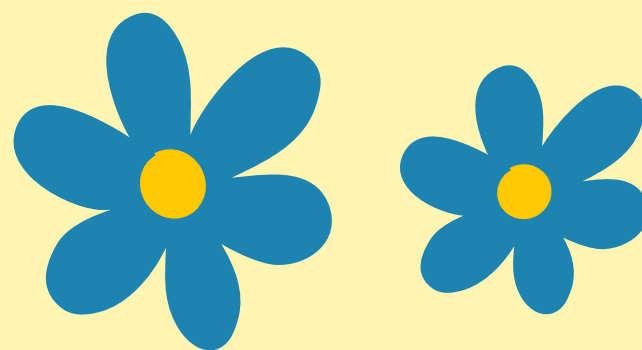

Jacob is one of those people who will come off as extremely intimidating the first time you meet him, as he only dresses in black. However, when you get to know him, he is the kindest, silliest and most loyal friend there is. When he is not stalking the birth charts of everyone he knows, he is guaranteed to be engaging in one of his million hobbies and side quests (whether it be writing, playing guitar, gaming, reading, doing puzzles, getting a bartending degree for fun (??) or eating food without letting them touch on the plate).

k. Meg

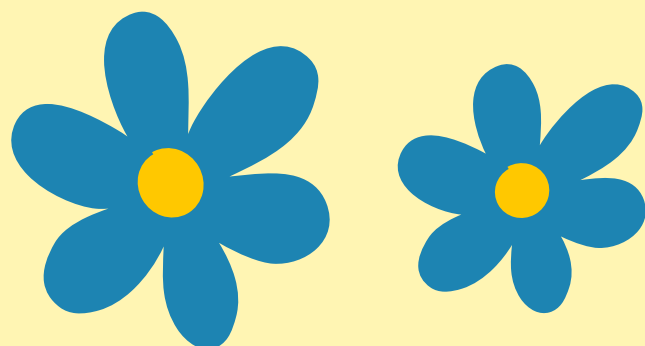

Meg is the embodiment of undiagnosed ADHD. She knows absolutely everyone, she is always FULL of energy and she is always doing something. Don't be surprised if you see her party til late at night, followed by an early morning run, dog sitting, brunch with friends, food shopping, studying, a cafe date and a full day at the beach: all before you have gotten out of bed in the morning. Meg will also cease any opportunity to sing you her favourite show tunes from Wicked, or any Taylor Swift song ever made.

l. Logan

Logan is known for his amazingly sarcastic humour, and his love language being bullying his friends (affectionately). As a proud socialist, he is extremely passionate about politics and social justice, and will always fight hard for what is right.
