Y Cambria

Mae cynnwys adeilad cyfagos y Cambria yn rhan o brosiect yr Hen Goleg, gyda chyllid y Gronfa Ffyniant Bro, yn ddatblygiad arwyddocaol.

Bydd y Cambria yn fodd inni wella'n sylweddol ar y potensial i sicrhau'r manteision economaidd a chymunedol, a hynny yn sgil y ffaith y bydd y model gweithredu yn fwy cadarn, gydag ystafelloedd gwely ychwanegol i'r gwesty ar y lloriau uchaf, a mannau ar gyfer gweithgareddau cymunedol ac addysgol/diwylliannol ar y llawr gwaelod a'r islawr.

Including the adjoining Cambria building with LUF (Levelling Up Fund) funding as part of the Old College project is a game-changer.

Y Cambria will significantly enhance the potential to deliver the economic and community benefits - with a more robust operating model through the provision of additional hotel bedrooms on the upper floors, and community and educational/cultural activity spaces on the ground floor and basement.

Augmenting the exhibitions and displays will deliver additional visitor numbers and secondary spend. This will have a bigger impact in town-centre regeneration and community benefits and outcomes
