

Digital Skills Profile

What digital skills do you use in your job?

Digital creativity- "I edit photos with Photoshop, I'm creating a website with WordPress and using Instagram to build a social media presence".

Digital proficiency- "working with software to enter orders on tills and taking digital card payments".

Data literacy- "I use spreadsheets to track expenses and I love computers so I use them lots for research, for example finding a doctor for my friend who only speaks Polish".

Did you receive support with your digital skills at Aberystwyth University?

"Yes there was help with software in lecturers and I remember getting lots of emails reminding us of support available. I know I had help from Information Services for outlook/emails".

Are there any digital skills you wish you had learnt before graduating?

"Yes, more help with using and searching for people and jobs on LinkedIn. I struggle to understand it and am having to self-teach it to myself now".

Have you noticed any common weaknesses the digital skills of those in a similar field as you?

"Applying research to digital skills or solving digital problems".

When did you graduate from AU?

"2022"

What did you study?

"Fine Arts & Film and Television Studies"

What are you doing now professionally since graduating?

"I am currently working in hospitality but it's not a permanent job, I'm searching for a job in film production and in the meantime I'm working on my CV and creating a portfolio website".

Weronika Krzepicka-Kaszuba
