Your comments

We did

Some learners said that we need to improve course books, as some of the material is dated.

We will use the new course materials by the National Centre for Learning Welsh on courses at Entry, Foundation and Advanced levels in 2019/20. The new Intermediate course will be published by September 2020.

We will improve the information given to you about online materials to support your learning.

You said that you wish to receive more information about online digital resources, and greater use of technology in class.

We have changed some of our teaching locations for 2019/20 in order to improve access to technology and digital learning resources in class.

We will publish a handbook for learners in September 2019, which will include details of online resources.

You said that you want more informal learning activities over the summer.

We are providing an opportunity for learners at Intermediate and Advanced levels to pair with fluent Welsh speakers over the summer through the Siarad scheme. Contact us on 0800 876 6975 or learnwelsh@aber.ac.uk.

We are organising a programme of summer activities, including the activities of the Intensive Summer Programme in Aberystwyth. Details of activities can be seen at www.aber.ac.uk/en/learn-welsh.

95% of learners say that they enjoy learning Welsh, and that the tutor teaches the course effectively.

We are continuing to develop the skills of our tutors in order to provide excellent courses.
