

*Is it best to de-friend  
your Ex on Facebook?*

**Psychology Journal Club**  
**Friday 27th Sept. 1.30-2.30pm**  
*Meet in the Breakout Room (P5, 2nd floor)*

The Undergraduate Journal Club is an informal chat about a journal article.

This month we discuss a paper which considers the psychological implications of remaining Facebook Friends with your ex-partner.

You don't need to know anything about the topic, just reading the paper and thinking about the issue is plenty.

---

You should find the paper attached or you can email us for a copy, or information:
