

Highlights of 22/23 for the Project Management, Quality & KESS Team

The last 12 months we successfully delivered the demanding closure procedures for our high value Structural Funded operations, we delivered the final stages of the RWIF knowledge exchange strategy and we reached the final year of the KESS collaborative research programme

Major Projects Completed worth £5.5M

Successful delivery & closure of all the associated grants required a record of over 100 claims, each demanding hundreds of compliance checks.

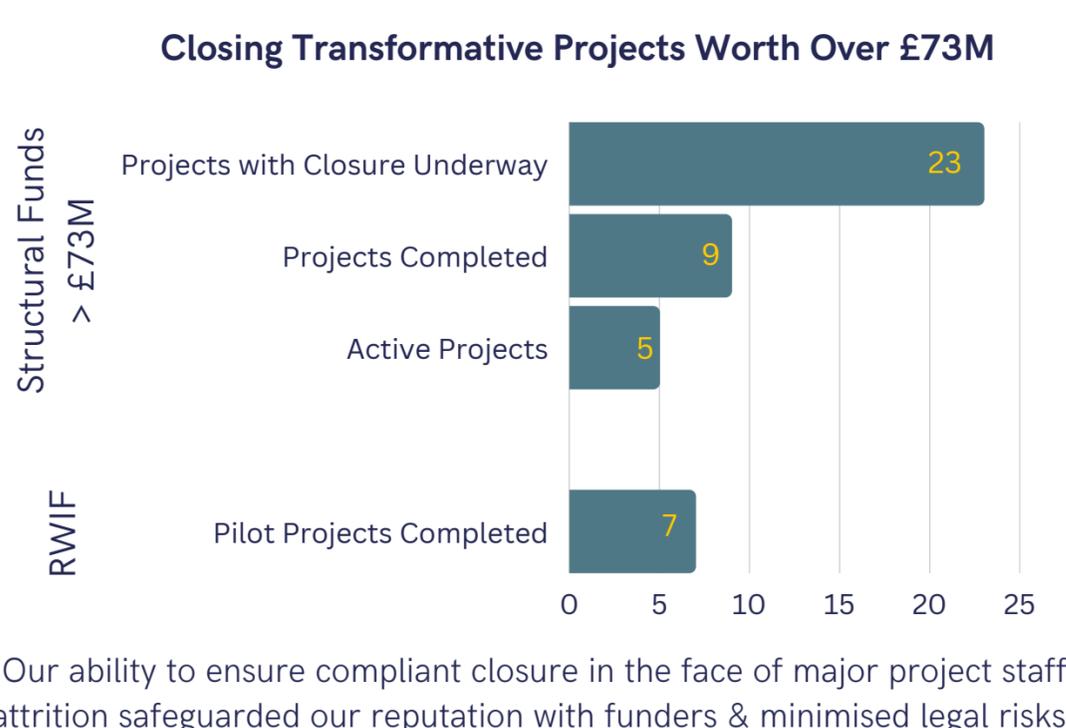

KESS

The Knowledge Economy Skills Sponsorships programme comes to an end and connected...

- 100 Industry partners, co-funding research
- 93 Postgraduate researchers and new employers
- 26 Grants - claimed by our KESS team and worth over £6M

PROGRAMME RESULTS & IMPACT:

- 43 Students completed PhDs
- 19 Students completed a Masters
- 2 Large Innovate UK grants won
- 3 Patents & 1 Spin out created

Delivering Great Events

- Project Management Best Practice
- All RBI Staff Wellness
- The Festival of Research for the Second Year in a row

Developing Our Staff

We focused on improving our team's skills and continuing our professional development so our project management support is of high quality and trusted by our researchers and industry partners.
