for children aged 8-14

Week 2: **27-31 July 2026**

Dear Parent or Guardian,

Once again, Aberystwyth University Sports Centre is offering 'CAMPUS SPORTS' multi-activity weeks for children between the ages of 8 and 14. This special programme is designed so that children of all abilities are able to experience and enjoy many varied sporting and recreational activities. Each child will be allocated to a small group according to their age. They will be supervised at all times by friendly and caring staff. Safety comes first at Aberystwyth University and all Campus Sports staff are either qualified teachers or coaches and will have undertaken a DBS check. The cost per week will be £150 for all. There is a discount of 10% for 2 or more children from the same family or if you book in advance for more than one camp.

This Summer Camp is ideal for your children to spend time during the Summer vacation to learn new skills, meet other children, let off some of their boundless energy and have lots of fun.
