

# The Welsh-Medium Study Bursary

## Terms & Conditions

### 2024 Entry

1. Full-time undergraduate students are eligible to receive a Welsh Medium Study Bursary if they satisfy the criteria regarding studying the specified number of credits a year through the medium of Welsh where possible, rather than through English. Please view your module choices on your student record to see how many Welsh medium credits you've registered for.
2. Eligible candidates will be identified automatically, according to their degree scheme and module choices; it is not necessary to apply for one of these awards.
3. All full-time undergraduate courses are eligible for consideration, with the exception of courses wholly offered by the Department of Welsh and Celtic Studies. In the case of joint honours or major : minor schemes offered by the Department of Welsh and Celtic Studies, the course will be eligible where the Welsh-medium credits have been obtained from modules in the 'other' subject area, i.e. the subject area not provided by the Department of Welsh and Celtic Studies. Modules offered by the Department of Welsh and Celtic studies will be included as eligible for students who are studying a degree scheme within another Department. For example:
  - for a student enrolled on degree scheme GQ15 Welsh and Mathematics, all of the eligible credits must come from Mathematics rather than Welsh.
  - for a student enrolled on degree scheme C100 Biology, all credits studied through the medium of Welsh will be considered, including any modules offered by the Department of Welsh and Celtic Studies.
4. Payment will be made direct to award holders' bank accounts at the start of March each year the award holder remains eligible. The eligibility of all students for these scholarships will be reassessed on an annual basis.
5. If a student does not satisfactorily complete the required Welsh-medium credits or changes to an ineligible module after the payment has been made, they will be required to repay the sum received.
6. The above applies from academic year 2023/24; awards will not be backdated.
7. Payments will not be made to exchange students, for repeat years, sandwich years, years in employment, years abroad etc.
8. Students deferring their entry will be entitled to receive Scholarships/Bursaries at the level publicised for the year of application (rather than the year of entry in the case of deferred applications).
9. Awards are only payable to students studying for a full degree at Aberystwyth (not transferring into years 2 or 3 of the course).
10. Payments will continue for the tenure of the award subject to continued eligibility (payments are not made during repeat years).
11. Please note that if you become indebted to the University, Scholarship and Bursary payments will be withheld and set against any outstanding debt.
12. If a student permanently withdraws from their studies before 1 December, the entire first instalment of any award will be reclaimed by the Finance Department. If a student permanently withdraws from their studies between 1 December and 2 March, the entire second instalment of any award will be reclaimed by the Finance Department. Failure to repay any award in such an instance could result in a referral to the University's debt collection agency.
