

## **INTERNATIONAL POLITICS**

Time allowed: 1.5 hours (90 minutes)

**Answer TWO questions**

---

1. How has the war in Ukraine impacted on NATO?
2. Do you agree that 'old-fashioned territorial warfare is basically in the past: the future of conflict is cyberwarfare'?
3. Does foreign aid benefit donor countries in the 'Developed World', or would it be better spent elsewhere?
4. Should we replace the United Nations with an elected 'world government'?
5. What can the USA do to promote stability in the Middle East?
6. Focusing on either Russia or China explain how they exercise power in the world. Are they successful?
7. Why is gender equality so hard to achieve?
8. Why is the fight against climate change proving to be so slow?
9. Do you agree with this statement? 'Actually, the drugs trade and the global criminal organizations that run it, is far more dangerous than international terrorism.'
10. Is authoritarian government necessary in times of crisis?
