

## **POLITICS**

Time allowed: 1.5 hours (90 minutes)

**Answer TWO questions**

---

1. Would Britain be more democratic if it changed its 'first-past-the-post' electoral system?
2. Why is migration so contentious?
3. Will more devolution lead to greater political stability within the UK state?
4. Is there a crisis of democracy in the West?
5. What are the political impacts of the deficit in local public spending (on schools, healthcare, social care, wellbeing)?
6. Has Britain grown stronger or weaker since Brexit?
7. Are taxes just?
8. Is breaking the law ever justifiable? Discuss using an example.
9. How can climate change and environmental degradation become UK's number one political priority?
10. Is the United Kingdom a successful multicultural society?
