

International Prospectus

Welcome

Choosing a university is probably one of the biggest decisions of your life. It is a place where you can broaden your horizons, expand your knowledge and develop your critical thinking skills; a place that can set you firmly on the pathway to your future career and a place where you can make friends for life. So it is important to choose the right university for you.

As you consider your options, I want to make sure you have all the information you need about Aberystwyth. Established in 1872, we are a University known for our world-leading research across a range of disciplines. Our research makes a global impact. It also informs the high standard of undergraduate and postgraduate teaching here at Aberystwyth, with lecturers who are leading researchers in their field.

Aberystwyth University has been welcoming students from across the world for almost 150 years. Today, we have students on campus from more than 90 different countries who are drawn here by our reputation for research and teaching excellence. We study, work and live in a diverse and supportive community, in a historic seaside market town with a cosmopolitan Welsh culture.

At Aberystwyth, you will be part of a campus university with an active Students' Union and more than 100 clubs and societies. We have our own well-equipped sports centre as well as a thriving Arts Centre. The National Library of Wales is just a short walk away and is an important centre for study and research.

Take your time to find out more by reading our prospectus and browsing our website. If you can, come to visit the place for yourself so that you can talk to some of the staff who will be teaching you, and hear from other students about their Aber experience. You can also take a virtual tour during one of our online Open Days. Ask as many questions as you want. We are here to help so that you can make the right decision for you. I wish you well and hope to welcome you in the future to Aberystwyth University.

Academic facility

The new IBERS building on Penglais Campus is the administrative home of the Institute of Biological, Environmental and Rural Sciences (IBERS), and includes a café. Next door is the Edward Llwyd building which houses laboratories and teaching rooms.

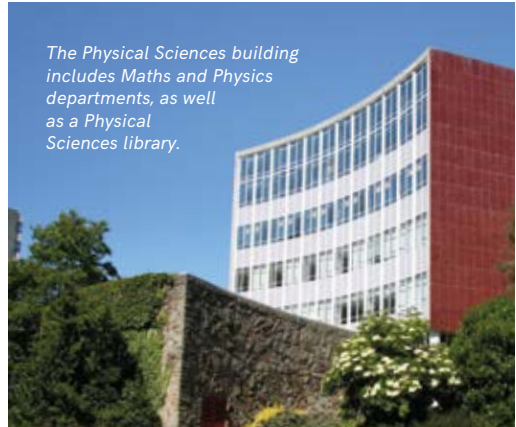

The International Politics building which is the home of History & Welsh History and International Politics.

The Parry Williams building houses the Welsh and Celtic Studies, and Theatre, Film and Television Studies departments.

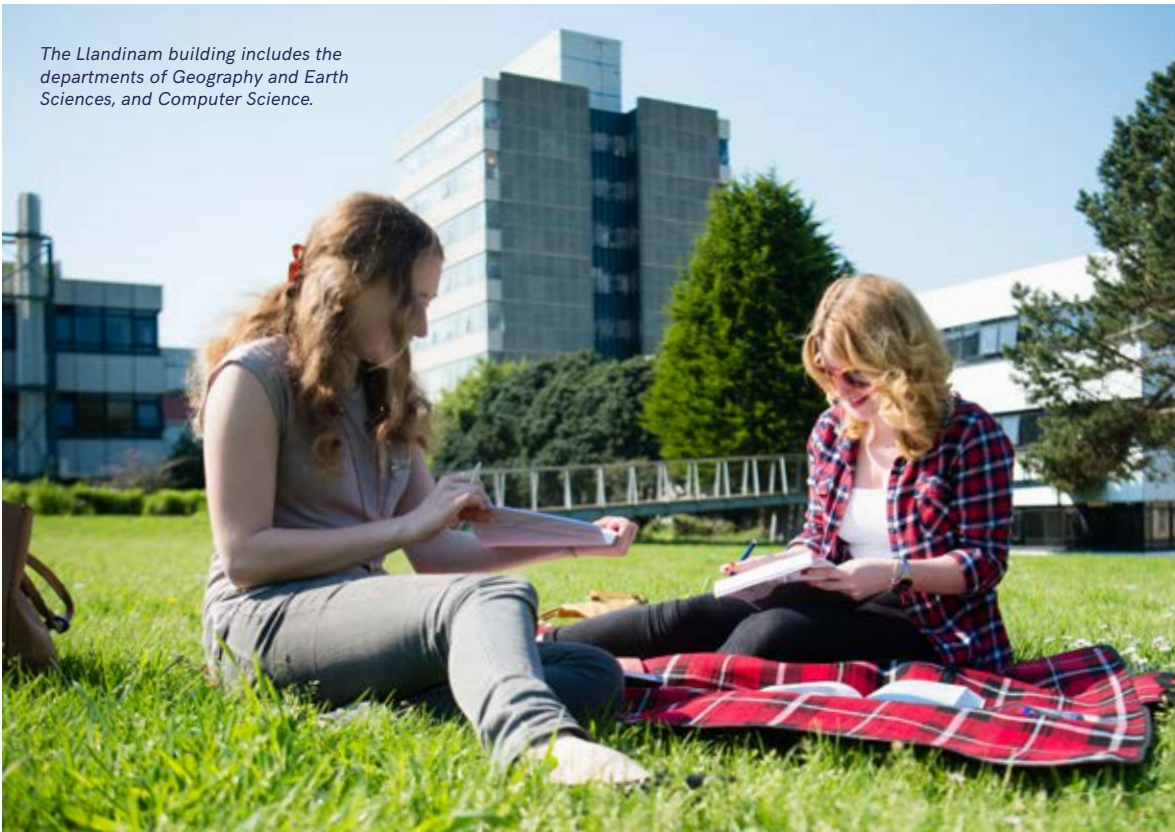

Located in the P5 building are the departments of Psychology, Information Studies, and the School of Education.

The Physical Sciences building includes Maths and Physics departments, as well as a Physical Sciences library.

The Hugh Owen building is home to the Business School and the departments of English and Creative Writing, and Modern Languages as well as the University's main library.

The Llandinam building includes the departments of Geography and Earth Sciences, and Computer Science.

Did you know?

Biological Sciences

Our researchers created a world-leading collection of *Miscanthus* genetic resources - a global energy crop.

Our excellence in research seeks to address some of the greatest global challenges the world is facing. 95% of our submitted research was of an internationally recognised standard or higher in the latest Research Excellence Framework 2014.

Geography

Did you know that a glacier in the Antarctic is named after an Aberystwyth glaciologist? Maybe you've heard of it - the Glasser Glacier.

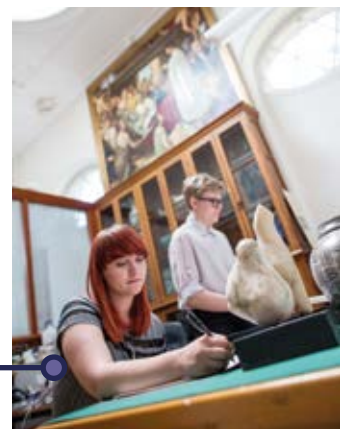

Physics

Did you know that our Department of Physics is involved in every European Space Agency (ESA) planetary mission from the Sun to Saturn and as a result the Aberystwyth University logo will be the first piece of Welsh text to be in space.

Art

Our researchers helped authenticate a painting thought to be Leonardo Da Vinci's earlier version of the Mona Lisa.

Theatre, Film and Television Studies

Did you know that the first and last of the Bridget Jones Diary films were directed by Aberystwyth graduate Sharon Maguire?

Computer Science

Did you know that Computer Science graduate Jan Pinkava directed The Incredibles and co-directed Pixar's Oscar-winning film Ratatouille?

Law

Our research has helped combat people trafficking in Romania.

International Politics

Established in 1919, the department is celebrating its centenary anniversary.

The Crisis Games, Gregynog Hall.

- ✦ 97% of our graduates were in work or further study within 6 months (HESA 2018)

"I study Fine Art and Education here at Aber. I love how stunning the area is with hills rolling straight into the sea. Aberystwyth is amazing for walks; I find myself taking my sketch book out with me. I will take so many memories with me, being surrounded by people that make me laugh and all the fun antics we get up to."

Paulina Kyprianou

Biological, Environmental and Rural Sciences (IBERS)

At IBERS you will become part of a world-class teaching and research Institute. We are known for our innovative work that impacts on international, national and regional challenges in biology and health, and we pride ourselves on training skilful graduates that are ready to make their own impact on these challenges.

"My degree in Genetics and Biochemistry gave me a good grounding that prepared me very well for my PhD. In fact, one of the courses, Gene Expression and Developmental Genetics inspired me to work in Developmental Biology, which is what I work at today. I will be eternally grateful for the chance I was given and the teaching I received."

**Roger - Professor of Neurosciences,
University of Copenhagen**

"Aberystwyth as a town is fabulous and the best part about it is the coastline, and the friendliest people out there, they are truly amazing and welcoming. Aberystwyth University has made me more confident in life and has taught me."

Vikram Kittagali Mahadevaiah

Aberystwyth Business School

The Aberystwyth Business School has an excellent reputation for the quality of its teaching, learning environment and the cultural experience it offers its students. The Business School emphasises small-group teaching in their workplace-relevant degree schemes and are highly regarded by both students and employers.

- Economists
- Retail Bankers
- Financial Traders
- Marketing Executives
- Advertising Copywriters
- Media Buyers
- Hotel Managers

“I enjoy learning about how the economy works. How money isn't just printed out at any time but is controlled by the government. Economics allows me to understand the fundamental problems that all societies face. Moreover, it focuses on the interaction of the market and people, how economic agents behave or interact and how the economy works.”

Fon Yih Young

Computer Science

The Department of Computer Science at Aberystwyth University is one of the longest established departments of computer science in the UK. The Department's commitment to their students has helped build an outstanding reputation amongst employers for producing innovative and forward-thinking graduates. The Department's strong links with major international companies offer students the opportunity to work all over the world.

- Social Carers
- Speech therapists
- Teachers
- Social Workers
- Play therapists

"I came to Aber to study my PGCE in Modern Foreign Languages. It is very easy to fall in love with Aberystwyth; a place full of life and unforgettable sunsets. It has the charm of a town but the possibilities of a city. I met my boyfriend here, watched sunsets on the pier and it is something I will never forget. It is a magical town with beautiful views. The people here are all very kind and have a heart of gold. The atmosphere is always very international, and you feel at home. What I will miss the most will be the familiar atmosphere. Every student is important, and teachers listen and have an interest in you."

Beatriz Gómez

English and Creative Writing

The Department of English and Creative Writing at Aberystwyth delivers an outstanding student experience – our students are some of the happiest and best taught undergraduates in the country. Our staff are world-leading literary scholars and award-winning writers who inspire our students and support their development as experts in their chosen fields of study.

Our graduates are:

- Art Directors in Publishing
- Graphic Designers
- Editors
- Journalists
- Marketing and Communication Directors
- Teachers

"My experience studying Literature at Aberystwyth University has absolutely changed my life for the better. I have gained more confidence in myself and my abilities than I ever thought I would thanks to the excellent course and people here. I've grown as an individual and formed many new useful skills in creative and critical practice that will stay with me forever. From modules on ancient texts to modules on the playful language of postmodernism, the course is varied and flexible. I was able to take modules in art and in creative writing whilst completing my literature degree — an excellent scheme that shows Aber is a university that puts its students' interests and learning first."

Ivy Napp (English Literature)

The writing retreat, Gregynog Hall.

Geography and Earth Sciences

- Civil Servants
- Armed Forces professionals
- Entrepreneurs

“What I love about studying History at Aberystwyth is everything! It is such a great degree scheme, with a wide range of modules to choose from in each year of study. The tutors are fantastic and always helpful and knowledgeable. Everyone within the department is friendly - staff and students alike - which creates a lovely working atmosphere. We have a fantastic resource just down the road, the National Library of Wales, which not only contains every book published in the UK after 1911, but is also a beautiful building to study in and commands the best view over the whole of Aberystwyth town. Studying History at Aberystwyth is the best decision I have ever made!”

Rachel Twomey

“The seafront is beautiful, the town is nice, and the university is great. The best memories are the moments I spent with the friends I met here, it was amazing to meet people from all around the world, and we had really good times in pubs or at the beach. I miss my friends the most, as well as the sunsets at the beach. Actually, I think I miss almost everything, as I had a really good time in Aberystwyth.”

Maude Gonthier

Physics

When you study Physics at Aberystwyth, you will be part of a friendly, informal atmosphere in a Department with over 140 years of excellence in teaching and research. We are committed to small-group and laboratory-based teaching and we place a strong emphasis on project work where you can share our passion for the subject in our specialist areas of space, materials and quantum physics.

- Psychotherapists and Counsellors
- Social Workers
- Health Care professionals
- Careers Advisor
- Marketing, Publishing, and Advertising professionals.

"I love my tutors - they are truly amazing, passionate about their specific psychology areas and very, very kind! I also love my department - new, modern and accessible!
 I love how this course made me think deeper, explore new theories and come up with new ideas. The department is also very receptive to bilingual people coming from other countries!"

Maryna Chwaszczewska

Theatre, Film and Television Studies

The Department of Theatre, Film and Television Studies at Aberystwyth is rooted in the beautiful, rural landscapes and culture of Mid Wales and enjoys an international reputation as a centre of excellence for its student experience. We offer a wide range of independent but interrelated study schemes that are all characterised by the combination of critical and creative approaches to our disciplines.

Undergraduate courses

- Creative Arts
- Drama and Theatre Studies
- Film and Television Studies
- Film-making
- Liberal Arts
- Media and Communication Studies
- Scenography and Theatre Design
- Writing for Broadcasting, Media and Performance

Postgraduate course

- Film Producing

Our graduates are:

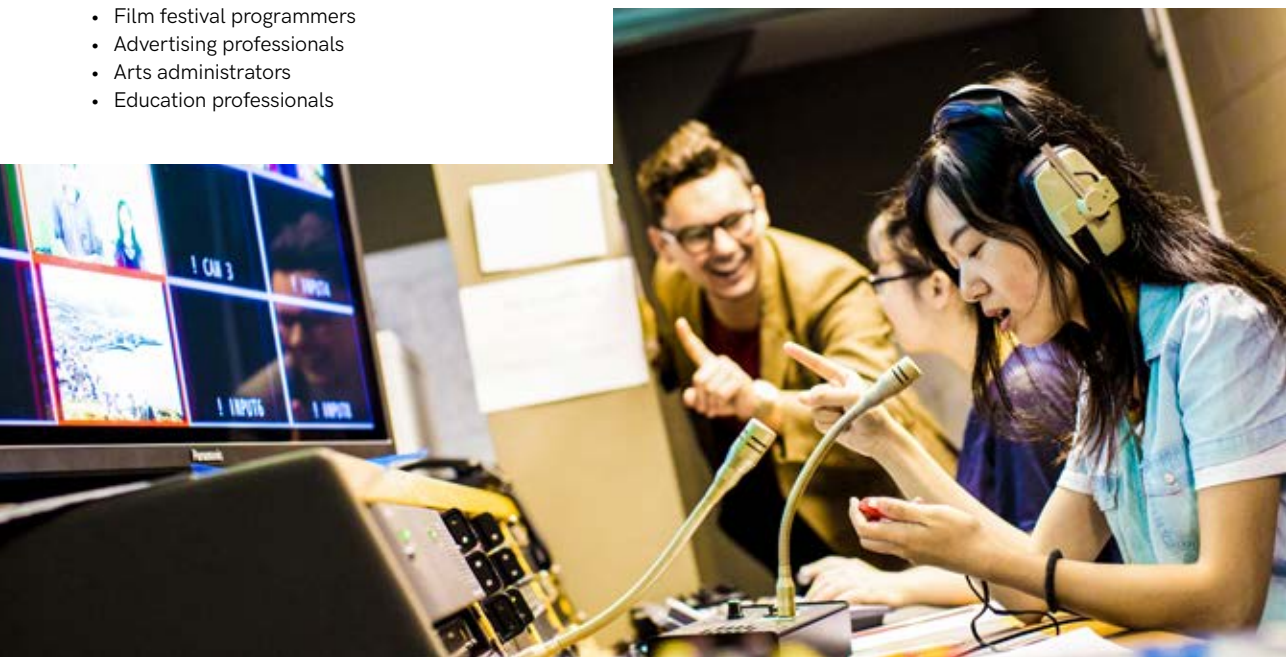

- Researchers, editors, floor managers, camera operators, designers and directors for film and television production companies
- Film distribution professionals
- Freelance film-makers
- Marketing and Public Relation professionals
- Film festival programmers
- Advertising professionals
- Arts administrators
- Education professionals

Key Facts

- ✦ 2nd in the UK in research capacity (REF 2014)
- ✦ One of the largest and most significant Departments of its kind
- ✦ Top 10 in the UK for course satisfaction in Drama, Dance and Cinema (The Guardian League Table 2019)
- ✦ Strong links with industry with access to high profile work placements
- ✦ Excellent teaching facilities
- ✦ BBC Regional office located within the department
- ✦ 98% of graduates were in work or further study within 6 months (HESA 2018)

“What I love about Film and Television Studies is the variety of different areas I've had the opportunity to be a part of. Last year I would never have had the confidence or know-how to organise a production team, to make and market short films and to work in a 3 camera studio. What I wanted from Aberystwyth University were the skills to become a film-maker; what I got were practical skills, knowledge of academic debates, and contacts that have given me an insight into the film and television industry.”

Peter Gosiewski

Welsh and Celtic Studies

The Department of Welsh and Celtic studies is a close-knit yet outward-looking Department that offers a supportive environment for all its students, from absolute beginners to confident and fluent speakers. The broad research interests of our staff mean that Aberystwyth offers you a complete learning experience: Welsh language and literature, the Celtic languages and their literature, Celtic Studies, Professional Welsh, literary criticism, creative writing and translation studies.

Key Facts

- ★ 100% overall student satisfaction (NSS 2019)
- ★ 100% of graduates were in work or further study within 6 months (HESA 2018)
- ★ Largest department in Wales
- ★ 4th in the UK for research (REF 2014)

Undergraduate courses

Celtic Studies
 Welsh (for beginners)
 Welsh and the Celtic Languages
 Irish Language and Literature/Education

Postgraduate course

Professional Translation Studies

Our graduates are:

- Translators
- Teachers
- Website Content Editors
- TV production Assistants
- Fundraising Administrators
- Marketing and Communications Officers

"Aberystwyth is a place where you can express yourself and be accepted for who you really are. I will miss the gorgeous views and wonderful people and I will miss being in an environment that motivates you to become a better version of yourself."

Veronika Angelova Todorova

English Language Requirements

As our degree courses are taught in English, you will be required to demonstrate proficiency in English to study here. We accept a range of English language qualification with score or grades depending on course level and subject area.

- IELTS: 6.0 - 7.5 (depending on course level and type)
- TOEFL: score of at least 550
- Cambridge Certificate of Proficiency in English
- Pearson Test of English Academic - score of 55 or more

For more information on other English language tests that we accept please contact us on international@aber.ac.uk.

Foundation Year Options

Foundation year at Aberystwyth University is an excellent introduction to study at university; from day one, you will be on track to earn a full Aberystwyth University honours degree.

A degree course with a foundation year enables you to gain the knowledge and skills required to succeed at degree-level studies. In addition, many of our Foundation year schemes offer some flexibility within the subject area giving you more time to decide on a specific subject pathway.

There are many reasons why a foundation year degree is for you:

- Unable to meet the typical university entry requirements;
- Unsure of what subject you want to study;
- Or perhaps you have been out of education for some time and are looking for a career change?

During the Foundation year of the degree, you will explore a range of subjects, develop essential skills such as research and critical analysis, developing arguments and self-evaluation.

Foundation year students have full access to all campus facilities, societies and everything else that Aberystwyth students' community has to offer. You will be supported by the University personal tutor system and have access to Student Support and Careers Services. Funding and availability of student loans is identical to all other undergraduates and you can apply for a place through UCAS in the same way as any other of our undergraduate degrees.

There are few fixed entry requirements, but each applicant will be assessed on an individual basis to ensure that they are right for the course and that the course is right for them.

 BSc Tourism Management

Visa and Student Support

The University has a dedicated team which is responsible for promoting the University overseas, co-ordinating student recruitment, developing and nurturing institutional and other links world-wide, along with managing study abroad and student exchange opportunities. Staff attend exhibitions and fairs in many parts of the world and can provide advice and guidance to you on studying in Aberystwyth.

International Student Adviser

Students who come from outside of the European Economic Area (EEA) or Switzerland will need a study type visa before they can enrol and study on a course at Aberystwyth University.

We have an International Student Adviser who can offer specialist immigration advice, help with applying for visas and answer any questions that you may have. While you are a student here we can also offer advice on protecting your visa, such as how many hours you are allowed to work, or whether you can bring family members to the UK.

For more information contact our International Student Advisor on - immigrationadvice@aber.ac.uk and visit our Visa and Immigration pages - www.aber.ac.uk/en/international/visa-immigration-compliance/

Welcome Week

A special international induction week is organised for international students at the start of your first semester. We hold a Welcome Ceremony where you will get the opportunity to meet staff and other international students and enjoy a buffet and drinks to welcome you to Aberystwyth.

Mentoring Scheme

Our Signpost Mentoring Scheme is free, friendly and confidential. Our mentors, who are either third year undergraduates or postgraduate students, will assist you with any aspect of University life and help you to settle in smoothly.

Compliance Team

We have a Visa Compliance Team offering guidance and support on Visa Compliance issues before and after you arrive at Aberystwyth University. For further information please see www.aber.ac.uk/en/international/visa-immigration-compliance

The International Social Programme

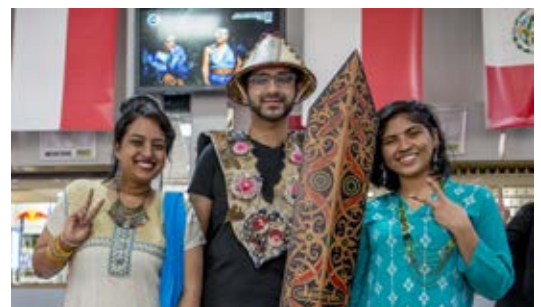

International Student Trips

The International Office organises a social programme which allows students to explore places outside of Aberystwyth while meeting new friends. Day trips are organised all year round to places such as St Davids, Cardiff and Portmeirion and afternoon trips to local beauty spots such as Newquay, Nant yr Arian and the Elan Valley.

One World Week at Aberystwyth

One World Week is our annual Aberystwyth University event celebrating the diverse culture of our University. This is a student driven programme, including the One World Gala Evening with traditional dance and music, country themed evenings, international film afternoons, debates, and the World Fair, with traditional food and drink from student's home countries, as well as menus reflecting our diverse nationalities served in our University restaurant TaMed Da.

International English Centre

Aberystwyth University attracts students from all corners of the globe. We are proud of our multicultural and vibrant community located in the heart of Mid Wales.

Preparing for your Degree:

Pre-sessional Courses

If you have a degree offer from Aberystwyth University but need to improve your English, you can take a Pre-sessional Course. Pre-sessional courses help you develop the language and skills needed for degree success, and provide an in-depth introduction to British academic culture. Courses run for 6, 12, 30 or 42 weeks.

Course	Dates
42-week Pre-sessional Plus	23 September 2019 - 11 September 2020
30-week Pre-sessional Plus	6 January 2020 - 11 September 2020
12-week Pre-sessional	22 June 2020 - 11 September 2020
6-week Pre-sessional	3 August 2020 - 11 September 2020

International Foundation Courses

The International Foundation Certificate is for students who need to top up their academic qualifications, and/or improve their English before starting a degree. Pathways are available in:

- Business
- Computer Science
- International Politics
- Law and Criminology
- Film and Television Studies

Course	Dates
30-week International Foundation Certificate	23 September 2019 - 29 May 2020
30-week International Foundation Certificate	6 January 2020 - 11 September 2020
15-week Fast Track International Foundation	27 January 2020 - 29 May 2020

For more information on these courses, visit our website, or contact us.

Study abroad

International Exchange Programme

Through our International Exchange Programme, you can spend a semester or a full academic year studying at one of our partner universities. The time spent abroad will usually take place during your second year and could be an integrated part of your degree.

We have an exciting collection of partners around the world, which enables our students to spend time in universities including USA, Canada, Australia, Hong Kong, China and Thailand. We also welcome many incoming students through our links with institutions across North America, Asia and Australia, to name a few.

Our current partners include:

USA

- American University
- Boise State University
- Bowling Green State University
- Carroll University
- Purdue University
- Queen's University of Charlotte
- University of Alabama
- University of Georgia
- University of Montana
- Utica College
- Washington State University
- Willamette University

Canada

- Dalhousie University
- University of Guelph
- University of Ottawa
- University of Victoria

Australia

- University of New South Wales
- Deakin University
- Griffith University
- Murdoch University
- University of Newcastle

The rest of the world:

- Azerbaijan Diplomatic Academy (Business and Management specific)
- Hong Kong Baptist University
- Renmin University, China (International Politics specific)
- Thammasat University, Thailand
- T.K. Zhurgenov, Kazakhstan

Study Year Abroad

We offer international students the opportunity to study at Aberystwyth for one academic semester or for the full academic year. Grades and qualification gained at Aberystwyth can be transferred to your home University. We welcome applications from international students who are currently studying at university or higher education institutions overseas who wish to experience life at a British University.

If you have any queries regarding a study abroad programme, please contact our Study Abroad Office at studyabroad@aber.ac.uk

Erasmus +

Erasmus + is the European Union's educational programme that provides opportunities to study and work abroad in a number of degree programmes. The period of study or work abroad is an integrated part of the degree on many of our courses and is a fantastic way to broaden your horizons and experiences.

Students who undertake an Erasmus+ placement will be eligible for a grant, calculated by the total amount of months spent, the nature of placement (study or work placement) and which country is chosen.

We have many partners across Europe which include:

- **Germany:** Heidelberg University
- **France:** La Sorbonne
- **Spain:** University of Cadiz
- **Norway:** University of Tromso
- **Italy:** University of Padova
- **Ireland:** Trinity College Dublin
- **Poland:** University of Wroclaw
- **Austria:** BOKU, University of Natural Resources
- **Denmark:** Aarhus University
- **Turkey:** Bilkent University
- **Malta:** University of Malta
- **Czech Republic:** Charles University

If you have any queries regarding a study abroad programme, please contact our Erasmus Office at erasmus@aber.ac.uk

Language students

Students who study one or more languages at Aberystwyth, will spend an additional year studying/working abroad, so that they can completely immerse themselves in the language they've studied.

Ryan Kennedy studied French and Italian at Aberystwyth, and here's an extract from his blog about his travels:

"Padova is packed with cute piazzas, bars and coffee shops, colourful flower and food markets and breath-taking architecture. For me living la dolce vita in this stunning northern Italian town was a dream come true - I mean who hasn't dreamt of sipping an aperitivo in a quaint sunlit piazza or going to Venice for the day just because, well, you can! From the moment I arrived, I fell in love with everything about it. We erasmini (yes Italians have a term for Erasmus students - that is just how trendy they are!) started off the semester in snowy covered Padova, and this prompted all of us to take to the piazza for

photoshoots followed by hot pizza and Aperol spritz afterwards in a café owned by a Welsh girl!

These memories, the people you meet and the places you see are something no one can ever take away from you and the only regrets I have were not seeing even more than I did and not picking up Italian dress sense fully!

Going abroad changes you completely, and you can rest assured that you will have a heart full of beautiful memories when you return. I have books filled with pictures of the beautiful places I visited and the amazing friends I made and in short, I would go abroad all over again without batting an eyelid!"

Employability

Our aim as a University is to equip you with the knowledge and skills you need to take you where you want to go in life.

Alongside the modules you study for your degree, you'll also be offered opportunities to help you prepare for life after graduation.

Our Careers service provides a programme of workshops and training sessions to help you develop the skills you will need for your future. Many of our courses give you the chance to expand your horizons by spending part of your degree course studying abroad or you could choose a course that offers a year out in industry.

Industry Links

Employers, organisations, institutions and individuals often visit Campus to offer our students insights, advice, ideas and jobs. Here are some of our partner employers:

- OracleNational
- Trust
- Admiral
- QinetiQ
- Charteris Foundation
- Civil Service
- ACCA
- Network Rail
- IBM
- Enterprise Rent-A-Car
- Teach English in China
- Metropolitan Police
- Endsleigh Insurance

Year in Employment Scheme

Our Year in Employment Scheme allows you to undertake a work experience placement between your second and third year. The University will keep your place on your degree course, and when you return you will enter the third year of your degree, as if you'd never been away. Taking part in the scheme may also provide you with the opportunity to make or test decisions about a chosen career path; work abroad and learn a new language; secure sponsorship for your final year, or a promise of work after graduation. Most graduates return saying they feel better placed to take on the challenges of the third year by being more motivated, energised, can take a fresh approach to their work, and have acquired better time management skills.

Accommodation

At Aberystwyth, we offer a variety of styles and locations to find the space that works for you, with the majority of our residences being only a short walk away from campus.

Each residence has its own distinctive character offering you a safe and secure environment in which to socialise, study and relax. While living in our accommodation, there is no need to worry about fluctuating bills as the accommodation fees include utilities, internet connection including Wi-Fi and a high level of personal contents insurance.

We offer a wide range of self-catered or part-catered accommodation with either en-suite rooms, or flats with shared facilities along with our self-contained studios, with prices ranging from approximately £85-135 per week. Whatever your requirements, we aim to provide an option that will suit you best.

As soon as you arrive our Campus Life Team will welcome you into your new home and our campus community.

Applying for accommodation

Once you have fulfilled the conditions of your academic offer we will send you an invitation to apply for accommodation both by e-mail and post. We advise that you complete your application as soon as possible, as we offer accommodation on a 'first-come, first-served' basis.

Living costs

This is a general example of the kinds of costs incurred by an undergraduate staying at Aberystwyth. Remember, these will vary according to lifestyle. Costs are calculated over the academic year which is usually around 39 weeks.

Expenditure	University Residences		Private Sector	
	Cost per week	Cost per annum	Cost per week	Cost per annum
Room	From £85.40	From £3330	From £65	From £2890
Food, Laundry & Toiletries	£45	£1,800	£45	£1,800
Bills (energy, internet)	Included	Included	£15 - £25	£600 - £1000
Contents Insurance	Included	Included		£88 - £178.13
Phone Contracts		£12.50 + per month		£12.50 + per month
Books, Equipment & Stationery		£150		£150
Clothing		£200		£200
Social	£30	£1,170	£30	£1,170
Aber Sport Residential Package	Included	Included		£70 / £125
TV Licence		£150.50		£150.50
Extras	£10	£400	£10	£400

Please bear in mind that these are average costs. The residential costs at Aberystwyth are much lower than in some parts of the country. Travel costs within the town are low and general living costs are much cheaper.

Catered/Part-catered

Cwrt Mawr

- single rooms, in flats of 6-10 students
- shared communal facilities with fully-equipped kitchen
- use of learning centres on Penglais Campus
- located on Penglais Campus

Campus Community

Arts Centre

The Arts Centre is the perfect place to see a show, watch a film, enjoy some treats, buy your books and socialise with friends. There is something here for everyone whether it is a London West End show on tour, Abertoir (Horror Film Festival), Christmas Spectaculars or our annual food and craft fair.

The Arts Centre is the hub of culture at Aberystwyth. Its Theatre, Great Hall and Studio have hosted performances by nationally-recognised theatre and dance companies, like the National Theatre of Wales. The Arts Centre cinema screens new releases and live screenings by theatre companies, including the Royal Shakespeare Company.

Recognised by the Arts Council of Wales as one of the major galleries in Wales, the Arts Centre is the principle regional contemporary art gallery for mid and west Wales.

The Music Centre

The Music Centre provides you with the opportunity to join our choir or orchestra, or to continue playing your particular instrument. Located in the Old College, our teaching and practice rooms hold numerous pianos, a two-manual electronic organ, harp, harpsichord and chamber organ, as well as percussion and other instruments. There is even a Music Scholarship available to students who are skilled orchestral instrumentalists.

Libraries

Aberystwyth University's libraries offer flexible study spaces to suit everyone's learning, including group and individual study rooms, well-equipped computer facilities, and a wealth of learning resources that will enable you to thrive in your studies. The Hugh Owen Library is open 24 hours during term-times. The libraries also hold several rare and special collections providing you with access to unique learning materials.

Student lounges

On Penglais Campus we have two buildings dedicated to relaxed studying, and some departments offer their own study areas. The Rosser Lounge and Pentre Jane Morgan Lounge are perfect for social study or studying in a more relaxed setting.

E-learning

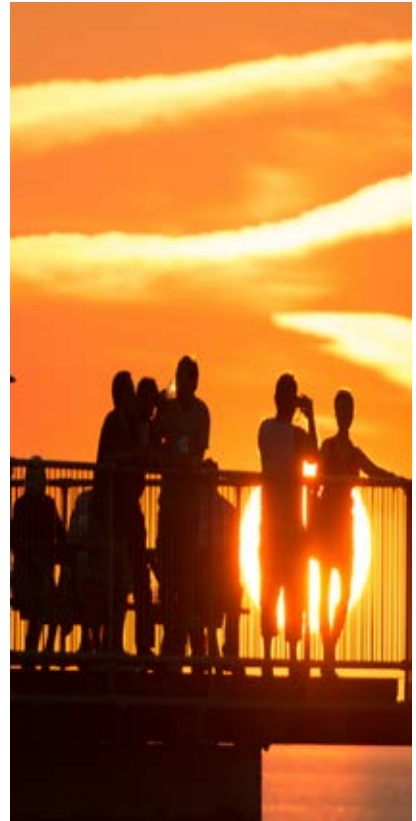

Our Blackboard virtual learning environment gives you access to your course materials anywhere and anytime. This includes recordings of your lectures, submitting your assignments online, departmental announcements and online reading lists to assist your studies. Across campus we have around 800 computers available to use in libraries and dedicated computer rooms, some of which are available 24 hours.

The Piazza, Penglais Campus.

How to Apply

1 Do your research

1

Identify the courses that you're interested in. Check entry requirements and course content to make sure it's the right choice for you.

International Office

- +44 (0)1970 622891
- international@aber.ac.uk
- www.aber.ac.uk/en/international

Talk to us

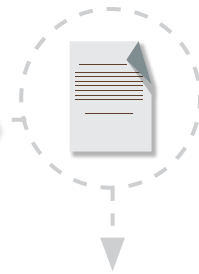

2

Email, call, get in touch on social media or in person. We also work with Agents who can help you. You can find out more about them and when we'll be visiting your country next on our website.

3 Submit your application to study with us

3

Apply via UCAS, or via our website for our courses. You'll need to prepare a personal statement, and provide us with academic references. Your educational certificates, and English language qualifications can be sent at a later date if you don't have all your results yet. We aim to get back to you within a week or two.

Undergraduate Admissions

- +44 (0)1970 622021
- ug-admissions@aber.ac.uk

Postgraduate Admissions

- +44 (0)1970 622023
- pg-overseas@aber.ac.uk

4 Receive your decisions

4

If your application has met our requirements but you are still waiting for some results, you will receive a 'conditional' offer.

Funding and Scholarships

5

Check which scholarships you might be eligible for. You can find full details on our website. EU students are also eligible to apply for tuition fee funding from Student Finance Wales.

Start your journey at
Aberystwyth University

6 Book your flight

Don't forget to check out our website and register for an airport pick up!

7 Apply for your VISA
 (non-EU only)

Most International students need a VISA to study in the UK. Our International Student Adviser will help you with your application.

Meet any remaining conditions

8

Still waiting for results? Send them to us as soon as you have them. Non-EEA students will need to submit their financial declaration form and pay their £2000 deposit before the University can process your CAS. Remember, the earliest date you will receive your CAS is 3 months before your course date.

9 Apply for your accommodation

Once you have accepted your offer you can apply for University accommodation.

Accept your offer
 to study at Aberystwyth!

10

Once you've looked at all your options, you can accept your offer either on UCAS for undergraduate courses, or by emailing us.

How to get here...

By Rail

The railway station is in the centre of Aberystwyth. The main service is via Shrewsbury, with services available from Birmingham International directly through to Aberystwyth. There is a frequent bus service from the station to campus, and there is a taxi rank next to the station.

By Car

The University is located alongside the main A487 north to south Wales trunk road. It's just over a two-hour drive from north or south Wales, Birmingham and the west Midlands.

By Coach

Regular bus services operate from the University campus to north and south Wales and the Midlands.

Places to stay overnight

If you wish to stay overnight, then there are plenty of places for you to stay in Aberystwyth. The local Tourist Information Office (tel: 01970 612125) can provide you with a list of addresses.

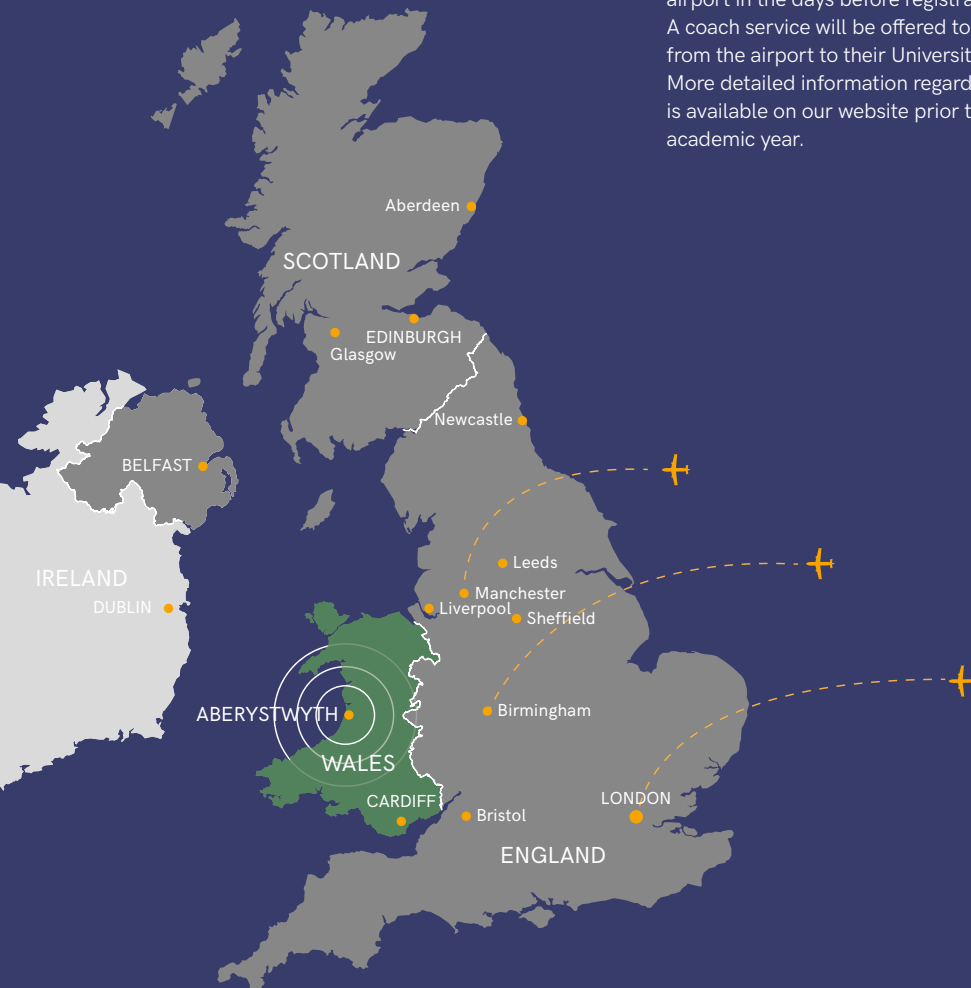

If you are visiting during the University's vacation periods there may be student accommodation available for you (during April, June, July and September).

Meet us in your country:

We regularly travel to different countries around the world, visiting institutions and education fairs. To find out when an Aberystwyth University representative is next visiting your country, visit www.aber.ac.uk/en/international/your-country/education-fairs

Meet and Greet

The University arranges a 'Meet and Greet' service for international students who fly into Birmingham airport in the days before registration each September. A coach service will be offered to transport students from the airport to their University accommodation. More detailed information regarding this service is available on our website prior to the start of the academic year.

Important information

- please read carefully

All students will be required as a condition of enrolment to abide by, and submit to the procedures of the University's Rules, Regulations and Information for Students. A copy of the current Rules, Regulations and Information for Students is available on request from the Academic Registry (01970) 622270.

The University offers the information contained in this prospectus for guidance only. The information in this prospectus does not constitute a contract and is not binding on prospective students or the University. While the University makes every effort to check the accuracy of the factual content at the time of publication, some changes will inevitably occur in the interval between publication and the academic year to which the prospectus relates. For example, courses, entry requirements and typical offers may have changed in line with student demand, external requirements and research development. Applicants should not therefore rely solely on the information contained in this prospectus and should visit the University website (www.aber.ac.uk) for more up-to-date information in respect of course content, accreditation and entry requirements for the relevant academic year when considering applying to the University.

Any student who has outstanding fees shall not be awarded any degree, diploma, certificate or qualification from the University until the debt is cleared. Such students shall be prevented from re-enrolling at the institution and from using any of the University's facilities.

Please see www.aber.ac.uk/en/apply for our *Data Protection Information (Privacy Statement)* should you wish to apply to study with us.

The information contained in this publication was correct at the time of going to print - August 2019 .
